

HOW TO GET THERE? FLIGHTS

Flight costs to Brazil are still generally quite expensive but there are indications that these are starting to reduce as the market continues to open up and airlines are becoming more competitive. Prices fluctuate depending on the season / operator and destination airport.

A flight to the northeast of Brazil usually takes about 9 hours from the UK.

Flights

We are just listing the flights from the UK and Irish airports for now, but we will add more from other destinations shortly.
