

Mortgages in Tenerife

Mortgages in Tenerife are subject to the purchaser's income details and valuation of the property by the bank. Bank valuations can range between 50-100% depending on the type of property chosen. As a guide, size, age and quality of the property can affect the valuation.

There are many banks available to see regarding a mortgage; Caja Canarias, Banesto Bank, Sol Bank and Bank Inter.

To get an idea of what you can borrow, it is advisable to speak to the bank. We can also assist if you need help.
